A results-oriented Virtual Executive Assistant with 5+ years of remote experience across coaching businesses, clinical operations, and digital startups. Expert at building **scalable systems** — from multi-coach calendars and VA team oversight to CRM automation and client onboarding. Backed by a **Cum Laude Accountancy degree**. Currently serving multiple clients on a **flexible retainer basis**, with full-time capacity available for a dedicated engagement.

PROFESSIONAL EXPERIENCE

General Admin VA & Appointment Setter

Feb 2024 — Present · Part-Time

BUILT TRANSFORMATION COACHING · James & Sam Board · Remote

- Operational hub for a multi-coach business — subscription tracking, billing accuracy, and client lifecycle management via GoHighLevel (GHL).
- Designed and own team performance dashboards in Google Sheets for VA setters, enabling weekly KPI reviews and data-led coaching decisions.
- Manage payroll, multi-coach calendars, and client onboarding workflows; built the team's full SOP library and Loom training video suite from scratch.

Executive Virtual Assistant

2021 — Present · Part-Time

L1P AESTHETICS · Clinical & Admin Operations · Remote

- End-to-end operations for a growing aesthetics clinic — scheduling, back-office admin, digital records, and client communications under one remit.
- Redesigned patient booking system, reducing delays; maintained social media operations and implemented process improvements that freed significant team bandwidth.

Lead Generation Specialist

Nov 2025 — Present · Part-Time

BETH DICKINSON FITNESS COACHING · Wellness · Remote

- Execute targeted outbound lead gen campaigns, qualifying high-fit prospects and maintaining pipeline tracking with regular reporting on outreach and conversion metrics.

Appointment Setter

Dec 2024 — Feb 2025

AARISE COACHING · Taylor Allwell · Remote

- Generated and qualified leads via outbound messaging; maintained structured prospect tracking ensuring zero dropped leads and seamless sales-to-coaching handoffs.

Technical Support Advisor

2020 — 2021

CONCENTRIX · BPO · Customer & Technical Support

- Resolved complex cases in a high-volume BPO environment, building expertise in client communication, CRM documentation, and professional escalation handling.

KEY ACHIEVEMENTS

SOP Library

Built full SOP + Loom training suite enabling scalable VA onboarding.

Zero-Conflict Calendars

Managed multi-coach schedules across time zones with zero double-bookings.

Clinic Overhaul

Redesigned scheduling + records at L1P, reducing delays and admin load.

Cum Laude Graduate

BS Accountancy with Latin honors — analytical precision under pressure.
